AGREEMENT AS TO RESOLUTION OF CONCERNS

Patient: _____ Patient DOB: _____

PLEASE READ CAREFULLY

"I" and "Patient/Guardian" shall be understood to mean _____.
Print Patient Name

"Physician" shall be understood to mean Dr. Lionel Meadows and Meadows Surgical Arts.

I understand that I am entering into a contractual relationship with the Physician for professional care. I further understand that meritless and frivolous claims for medical malpractice have an adverse effect upon the cost and availability of medical care to patients and may result in irreparable harm to a medical provider. As additional consideration for professional care provided to me by my Physician, I, the Patient/Guardian, agree not to initiate or advance, directly or indirectly, any meritless or frivolous claims of medical malpractice against the Physician.

Should I initiate or pursue a meritorious medical malpractice claim against Physician, I agree to use as expert witnesses (with respect to issues concerning the standard of care), only physicians who are board-certified by the American Board of Medical Specialties in the same specialty as the Physician. Further, I agree that these physicians retained by me or on my behalf to be expert witnesses will be members in good standing of the American Board of Cosmetic Surgery or the American Board of Obstetrics and Gynecology.

I agree the expert will be obligated to adhere to the guidelines or code of conduct defined by the American Board of Cosmetic Surgery or the American Board of Obstetrics and Gynecology.

I agree to require any attorney I hire and any physician hired by me on my behalf as an expert witness to agree to these provisions.

In further consideration, Physician also agrees to exactly the same above-referenced stipulations.

Patient/Guardian and Physician agree that a conclusion by the specialty society affording the due process to an expert will be treated as supporting or refuting evidence of a meritless or frivolous claim.

Patient/Guardian and Physician agree that this Agreement is binding upon them individually and their respective successors, assigns, representatives, personal representatives, spouses, and other dependents.

Patient/Guardian and Physician agree that these provisions apply to any claim for medical malpractice, whether based on a theory of contract, negligence, battery, or any other theory of recovery.

Patient/Guardian acknowledges that he/she has been given ample opportunity to read this agreement and ask questions about it.

FINANCIAL AGREEMENT

Patient: _____ Patient DOB: _____

Dear Patient:

Thank you for choosing Meadows Surgical Arts for your medical needs. We are committed to providing you and your family with the best possible care. The following is our Financial Policy, which will help you (the "Responsible Party") to understand our payment and billing procedures.

Payment for service is due at the time service is provided. All charges are your responsibility. We accept cash, money orders, debit cards, Mastercard, Visa, American Express, and outside funding services such as Care Credit, Lending USA, and United Financial (outside funding services are subject to change).

As a courtesy to you, we will submit insurance claims on your behalf. However, your insurance policy is a contract between you, your employer, and your insurance provider. We are not a party to that contract. You are responsible for knowing your insurance benefits. Our relationship is with you, not the insurance provider. We will not become involved with disputes between you and your insurance provider regarding deductibles, co-payments, covered charges, and their determination of "usual and customary" charges, all of which are determined by the policy your employer chooses to provide for you. We submit insurance claims with the understanding that whatever your insurance provider does not pay, the balance is then your responsibility to pay within 30 days of your first billing statement. YOUR DEDUCTIBLE AND CO-PAY WILL BE COLLECTED AT THE TIME OF SERVICE.

Please have all insurance cards available for photocopying at all times. Any change in insurance, personal address, phone numbers, or emergency contact should be reported immediately.

If your insurance provider's policy is to send payment checks directly to the insured member (who may or may not be the Responsible Party) instead of the healthcare provider, you will be responsible for payment in full at the time of service. Your insurance provider will reimburse you directly.

Remember that insurance pre-authorizations do not guarantee payment. If your insurance provider does not pay in full within 60 days, we ask that you contact them, as the charges will then be transferred to you. We require you to pay the balance due, even though your insurance provider may eventually process your claim. A refund will then be mailed to you. After 60 days, interest due on past due balances will accrue at a monthly rate of 1.5% monthly. There will be a $30 fee for all returned check items. Should your account become delinquent and have to be referred to a collection agency, an attorney, or the Magistrate's Court, you will be financially responsible for the costs of collections and/or legal fees.

At Meadows Surgical Arts, your safety is always our number one priority. The operating room fees in your surgery proposal are our best estimate of the time it will take to achieve your cosmetic goals. In order to avoid additional billing on any surgery involving liposuction, we estimate the operating room time based on your Body Mass Index ("BMI") at the time of your consultation. Your BMI will fluctuate with any changes in weight. If your BMI has increased by two or more points on the day of surgery, we may reschedule certain procedures, or you will be charged an additional $800 per point to cover the additional anesthesia and operating room fees associated with additional procedure time.

Sincerely,

Dr. Lionel Meadows
